Date	**March 28, 2020**			
Time	**1900 Hours**			

Randolph County Division of Homeland Security and Emergency Management is currently in the process of establishing a NIXLE, *emergency notification group,* to inform the current stakeholders of the COVID-19 event. The COVID-19 group will be used to notify the Stakeholders, who are interested, of current events of the current virus and inform it's members of telephone conference calls relating to the event.

Telephone conference calls will be on an as needed basis. Currently they will be scheduled two to three times a week. As the event progresses the calls may become more frequent. This is why we are establishing a different group from our "Stakeholders Group" this new group will be the "COVID-19 Group". We anticipate it may be utilized more frequently than our other groups.

You are being invited to join this group because you are on the "Stakeholders Group". If you are interested unbecoming a part of the "COVID-19 Group" please feel free to provide the following information.

Your contact Information:

Your Name, your cell phone number, your email address

Our next conference call will be Wednesday, April 1, 2020 at 11:00 AM

Call-in Number: 1-425-436-6352
PIN: 704660
