Local Director Receives Statewide Award

For Immediate Release

Cindy Hart received the prestigious “*Emergency Manager of the Year award*” for 2019. This award is given once a year and is bestowed upon the recipient for his/her dedication and devotion to Emergency Management within the State of West Virginia. Ms. Hart was selected by her peers throughout the state.

Ms. Hart began her career in Emergency Management thirty plus years ago as an EMT/Paramedic. Since that time she has advanced to the position of emergency manager. She has served in that position in three different counties within the state. Also she has been instrumental in serving as emergency manager in Randolph County for several emergency events. She has also assisted counties throughout the state in their time of need.

If you see Cindy, congratulate her on her well deserved accomplishments.
